Notes

1. Absent students will lose all marks on their assessment. ONLY a certified medical report is accepted and will be approved if submitted (to the Academic Controller) the first day the student is back to class.
2. Scheduled assessments always start at 7:50 A.M (first session). Tardy students will not be granted extra time and have to make it up for themselves within the remaining time of the quiz.
3. Dates may be subject to change. The administration will keep you updated.
